CONDUCT POLICY

The Village Club is a facility that depends on its members to conduct themselves in a manner that promotes safety and enjoyment for all and a positive working atmosphere for the entire staff.

The rules and procedures of the Village Club are required to provide a safe and enjoyable environment for everyone. It is expected that all members will be familiar with the rules and procedures as outlined in the membership packet and posted at the club. Parents are expected to review the rules with their own children and guests, as they are responsible for their behavior.

Unfortunately, some members may choose behavior that is unsafe or deprives other members the opportunity to enjoy the Club’s facilities and programs. Employees will intervene to remedy the situation when this happens. This will take the form of a verbal reminder with the expectation that the inappropriate behavior will change immediately.

Continued inappropriate behavior problems warrant a more significant response. Some examples of these types of behaviors might include, but are not limited to:

- Repeated violation of Club rules e.g. diving in shallow water, throwing people in the pool, inappropriate footwear on the tennis courts, bullying, spitting, and using cell phones in the locker rooms,
- Disrespect toward staff—not following directives, talking back
- Offensive behavior—profanity, crude behavior or remarks
- Disrupting Club programs—during swimming, diving, or tennis lessons
- Acting in an unsafe manner and/or creating a dangerous situation for others
- Damage to club property—vandalism, reckless behavior resulting in damage
- Defrauding the Club—not signing in guests, stealing equipment, merchandise or money from the club.
- Uncivil behavior or conduct prejudicial to the best interest of the club by the member or by the member’s guest(s).

The following guidelines will be used to determine the level of action to be taken by the Club when behavior of this nature occurs. The police may be notified if laws are violated.

» **1st** Offense: ejection from the Club for the remainder of the day and the next two days. Reported to the Board of Directors and recorded in the conduct logbook. Parents will be contacted to inform them of the situation if the offending member is a minor.

» **2nd** Offense: ejection from the Club for the remainder of the day and the next 6 days. This will be reported to the Board of Directors and recorded in the conduct logbook. The Board President will inform the member (or parent) in writing that they are at risk of having their membership revoked.

» **3rd** offense: ejection from the Club for the remainder of the season. The President or designee will inform the member in writing, at least 10 days prior to the Board meeting, that they are considering revocation of membership.
