CONDUCT POLICY

The Village Club depends on its members to conduct themselves in a manner that promotes safety and enjoyment for all and a positive working atmosphere for the entire staff.

The rules and procedures of the Village Club provide a safe and enjoyable environment for everyone. It is expected that all members will read the rules and procedures as outlined in the membership packet and posted at the club. Parents are expected to review the rules with their children and guests, as they are responsible for their behavior.

Unfortunately, some members may choose behavior that is unsafe or deprives other members the opportunity to enjoy the Club's facilities and programs. Management and staff will intervene when this happens and provide verbal reminders with the expectation that the inappropriate behavior will change immediately.

Continued inappropriate behavior warrants a more significant response.

Examples of these types of behaviors might include, but are not limited to:

- Repeated violation of Club rules e.g. throwing people in the pool, bullying, spitting, and using cell phones in the locker rooms
- Disrespect toward staff—not following directives given.
- Offensive behavior—profanity, crude behavior or remarks
- Disrupting programs during swimming, diving, or tennis lessons.
- Acting in an unsafe manner and creating a dangerous situation.
- Damage to club property and/or the property of others.
- Defrauding the Club — not signing in guests, using false names.
- Conduct prejudicial to the best interest of the membership.
- Repeated refusal to follow rules – a cause for revocation.

The following guidelines will be used to determine the level of action to be taken. Police may be notified if laws are violated.

1st Offense: ejection from the Club for the remainder of the day and the next two days. Parents will be contacted if the offending member is a minor.

2nd Offense: ejection from the Club for the remainder of the day and the next 6 days. The Board President or designee will inform the member or the parent that they are at risk of having their membership revoked.

3rd offense: ejection from the Club for the remainder of the season. The President or designee will inform the member 10 days prior to the next Board meeting, that their membership is being considered for termination. The member will have an opportunity to be heard at that board meeting. There will be no refund of dues or fees if membership is revoked.

NO SHOW POLICY

Members, who sign-up for tennis events then fail to show, will be charged for the amount of the activity. No charge if cancelled 72 hours prior to activity.
